CHAMPIONSHIP

## 1 - INTRODUCTION

Dear competitors,

The 2015 Monte Carlo Rally will once again return to the town of Gap (Hautes Alpes department), which serves as the hub for the event, but there are also many new features to this 83<sup>rd</sup> rally; shakedown has moved to Wednesday afternoon, there is a real race start in Monaco, special stages at night, special stages have been moved further north, and the application of Rally regulations from 2 to the end of section 4.

After three days of reconnaissance (Monday 19<sup>th</sup> to Wednesday 21<sup>st</sup> January), the traditional shakedown session (3.52 km), which is very representative of the whole course and organised, as last year, in the Commune of Chateauvieux, 6 kilometres south of Gap, will be held from 4 p.m. to 8 p.m. on Wednesday afternoon.

The next day, on Thursday 22<sup>nd</sup> January, competitors return to the Principality of Monaco for the official start of this first event in the FIA 2015 World Rally Championship calendar, starting at 6.30 p.m. on the Place du Casino. Unlike last year's rally, this start will not be of a purely ceremonial nature, but rather a true race start for the competition, with competitors initially racing two timed stages that night in the Alpes de Haute Provence department: "Entrevaux – Rouaine" (21.31 km) and "Norante - Digne les Bains" (19.68 km). They then continue on to Gap, and make their way to the Parc d'Assistance near the swimming stadium.

On Friday 23<sup>rd</sup> January, north of Gap, straddling the departments of Hautes Alpes and Isère, there is a new loop consisting of three timed stages that are geographically close to one another, each run twice: "La Salle en Beaumont – Corps" (15.84 km), "Aspres les Corps – Chauffayer" (25.81 km) and "Les Costes – Saint Julien en Champsaur" (25.40 km) will be new to all.

Saturday 24<sup>th</sup> January will see more classic stages, including amongst others, "Prunières – Embrun" (19.93 km) to be driven twice, "Lardier et Valençà – Faye" (51.70 km) and "Sisteron – Thoard" (36.85 km), with competitors then returning late afternoon to Monaco.

On the last day of the race, Sunday 25<sup>th</sup> January, competitors will leave bright and early for the Alpes Maritimes hinterland. The first stage scheduled is a first run of the later Power Stage between "Col St Jean and St Laurent" (10.16 km) (actually the Col de Braus), which is the 13<sup>th</sup> SS and followed one hour later by "La Bollène Vésubie – Sospel" (31.66 km), the longer version of the Col de Turini. Then after a tyre change and regrouping, the first twelve finishers will leave in reverse order, followed by the remaining competitors in the 15<sup>th</sup> and final stage, the Power Stage.

Back in Monaco, after the final Parc d'Assistance, you make your way to the Place du Palais, where there will be a final time control, and then the traditional prize-giving ceremony, at 3 p.m.
