**Date** : Friday 23<sup>rd</sup> January 2015

**Time** : 23.10 hrs

**Subject** : STEWARDS DECISION NO : 4

**Document No:** 2.5

---

*From* : The Stewards

*To* : The Competitor of car No. 8 HYUNDAI MOTORSPORT  
Crew DANI SORDO / MARC MARTI

---

The Stewards received through the Clerk of the Course a request from the Competitor HYUNDAI MOTORSPORT to cancel the penalty for lateness at TC 8C incurred by car No. 8.

The Stewards studied the rationale given by the Competitor explaining that towards the end of the 45' flexi service on Friday, 23<sup>rd</sup> January 2015, the car's engine did not start. After trying to fix the problem through various interventions but without success, it was only after finally disconnecting the Live TV GPS tracker box, which had previously been replaced in that same service, that the engine started immediately. The car was then brought into the parc fermé without the above box, which was handed over to the FIA Technical Delegate.

The Stewards further received and studied a report from the FIA Technical Delegate, who went to see car No. 8 in the parc fermé accompanied by 3 Hyundai Motorsport technicians. The report stated that the ignition started without problem with the power connection plugged in but that it was impossible to start the car with the antenna additionally plugged into the Live TV GPS tracker box.

The Stewards then heard the representatives of the Promoter, Simon Larkin and Steve Turvey, who confirmed that the Live TV tracker box could have interfered so that the engine did not start.

The Stewards, having finally further studied the corresponding time card and timing control sheets and having considered that this incident resulted in a late check-in of 8 minutes at TC 8C, after due deliberation

DECIDE

**NOT to apply the penalty for lateness at TC 8C for car No. 8.**
