Résumé

Quotes

69. ROVANPERÄ-HALTTUNEN

« It's much easier than the first pass. The line is much cleaner but for some reason I feel that in this stage it's a bit tricky with the grip in the last section. I was sliding a lot. »

8. TÄNAK-JÄRVEOJA

« We just need to be consistent. Generally the performance is missing a bit when it's a bit more pacey. »

11. NEUVILLE-WYDAEGHE

« I was quite on the maximum to be honest... that's all I can do. »

33. EVANS-MARTIN

« Pretty okay to be honest. We're just carrying on, all okay so far. »

18. KATSUTA-JOHNSTON

« It's quite wide and high-speed, I really like it because you can take the line how you want. »

17. OGIER-LANDAIS

« It's better with the hybrid for sure. I can focus on driving a bit more cleanly without taking any crazy risks. It was a good stage. »

6. SORDO-CARRERA

« I don't know... I don't have a bad feeling but honestly I don't know what to say. I don't understand the times because the car feels good. »

4. LAPPI-FERM

« Everything is okay now, except the times. I just can't understand because the car feels good and the driving is okay. I am disappointed. »

7. LOUBET-GILSOUL

[Still nursing power steering fault] « There is still one stage to go. »

9. SERDERIDIS-MICLOTTE

« I like it very much but I think our time is worse than on the first pass, I don't know why. Maybe it's because of the pollution from the cuts. It's still a very nice stage. »
