20. FOURMAUX-CORIA

« A positive day, we gave our best. We are happy with what we did on the last stage in the evening. »

21. ROSSEL-DUNAND

« We tried not to make mistakes and to avoid puncture. We had a hard time with the times but overall, it's not disastrous. »

22. LEFEBVRE-MALFOY

« A day similar as yesterday. I really gave it all today. We lack of grip on the car, the rear end acts like it wants. We're in fourth position, we will not let down the podium. »

23. SOLBERG-EDMONDSON

« Our Saturday was ok. We won a few stages which is positive. A corner was full of gravel, which I didn't have in my pace notes, then I hit the bank and I bend the rear, but after that it was ok. »

24. GRYAZIN-ALEKSANDOROV

« Quite good, we made a good gap in the first stages but in the last one we got a puncture, we lost there quite some time but it is good we're still in the lead. »

25. MUNSTER-LOUKA

« Not ideal, we had problems with our brakes all day. The most important thing is to be here tonight, which was not an obvious thing. »

26. BULACIA-CORONADO

« We had a good day despite the last stage where we had a puncture. We lost a bit of time, driving at night is very difficult. »

27. CAIS-TĚŠÍNSKÝ

« It was incredible. We are fighting a lot and I am really enjoying the car. »

28. INGRAM-DREW

« It was a challenging day. I had a big crash at my last rally, so I need to be patient for the confidence to be back. »

29. JOHNSTON-KIHURANI

« Not easy today. We had a logistical issue in the first stage so we lost a minute of time there. We have been slowly working our way back, we made changes over the service yesterday but it was too much and we are now back to a car that I'm happy and comfortable with. It's been a very challenging day, a lot of smart things have been annoying. Not the happiest John at the end of the day but grateful to be here with no scratch on the car. Now we will just finish the rally tomorrow. »

31. MCERLEAN-ROWAN

32. CREIGHTON-REGAN

34. LÓPEZ-ROZADA

« It was a great day, we managed to get to the third position, we are quite happy, let's see tomorrow what will happen on the Turini. »

35. CACHÓN-LÓPEZ

« Long day today, very difficult. We had a puncture in the second stage of the morning and we lost a lot of time but okay. The afternoon was good and we had a great feeling with the car. »

36. MIELE-BELTRAME

« It was a much better day today than yesterday. My rhythm was better and better because I am starting to know this car better. François (Delecour) is much too fast so I only push to be the first of the Italians. It would be a symbolical victory. »

37. DELECOUR-DE CASTELLI

38. BURRI-LEVRATTI

« It was OK today. But it is difficult to find great motivation when you are racing in Super Rally (after retiring the day before). We need to find the right balance between doing well and not doing too much. But it was good. We had fun, we really enjoyed it. »

39. KEFERBÖCK-MINOR

« The day was good. Only the last stage was a bit tricky for me but otherwise, everything is good. »

40. BONTEMPELLI-PINA

« It went rather well. We had a good start this morning. This afternoon, we changed tires. It was tough in the first stage where we thought we would be fast, but in which we lost time. So then we had to play catch-up on the following stages. The car is in one piece so this is the main thing. We will see tomorrow how this rally finishes. »

41. ALONSO-PÉREZ

« We had a lot of problems today. Tomorrow is the last day, so let's have fun one last time. »

42. BOLAND-MJ

« No problem and everything is OK. We are still here. »

44. ROSATI-MARCHETTO

45. PATERA-TIRABOSCHI

« Today was better. We had so many issues in the first two days but today we had fun. Our objective is to reach Monaco tomorrow so let's do it. Monte-Carlo is sempre Monte-Carlo, even when you have already done it before. But without snow, it's not the same. »

46. NIBOLI-BRUNETTI

« Today was comme ci, comme ça. We spun in a stage, it was very dirty. We were afraid to get a puncture. Tomorrow we'll just have fun in the two best stages for me. »

47. MARCHINO-OMETTO

« Everything is well, it has been a very long day. The last stage was very difficult because it's at night but otherwise, we're happy. We are happy to have made it through without crashing the car. »

48. ARENGI-BOSI

« We had a good day. The car went very well, we had our pace. Unfortunately, yesterday we broke the transmission so we are way back in the overall ranking. We will try to score some points at the Master Cup Championship. »

49. MERLI-ZORTEA

« All okay, we just finished the third day and it's a bit too much for me, I'm not used to this kind of long rally. But it's amazing even if it's difficult. We still need to learn. »

50. VOSSEN-HULZEBOS

52. GAMBA-GONELLA

« We are here, so we are happy. It was tough today. In the second stage, we lost time. We were quieter in the last stage. »

53. GINO-MICHI

54. BAFFOUN-QUARTINI

« What a nice day that started not so well for our friend whose car caught fire, we were three cars behind and it's always frustrating because you know what it feels like. From our point of view, we had fun, even if we are getting old and we don't like to drive in the dark anymore. The last stage was really difficult. I can't wait to start tomorrow because I just love the last two stages. Monte is always magical, we got our friends here and my co-driver is doing an amazing job. Without her, it would not be the same, and I'm not even sure that I would be here. »

55. DESANGLES-THÉRON

« It's good, it was a good day. We didn't have problems, we had fun, the car was great. We are happy to be here and we will be even happier tomorrow afternoon! »

56. ALBERTINI-CHIAPPE

« This was a very big day, so we are happy that we finished it. The roads were dirty. This is a real rally, so we are happy to be here tonight. Tomorrow, we keep the same goal in mind until the end: to finish the rally. »

57. PISTACHI-AUTHIER

« It's OK, but we are tired. It was a difficult day with big dirty cuts. I am not brave enough to push a lot. You need to be young to do this! But it does not matter, since the car is in one piece and we are as well. Tomorrow, back home, we will have a lot of fun. »

58. HAUT-LABOURDETTE-TARDITO

« It was a long day but a top day. We really enjoyed it. Our stage times are good. Malijai and Entrevaux, by night, were complicated, but magical. We had huge fun and we are not so badly placed in the standings. »

59. RIBERI-HAUT-LABORDETTE

« It went quite well. This morning, we left with a different setup comparing to yesterday. In the first stage, it was very slippery going uphill so we were cautious, but in the end, the time was not bad. In the second, there were a lot of dirty areas we didn't trust. In the end, tonight, we are ranked 25th overall so we are happy, and we are ranked 3rd of the NP Class. We will have a lot of fun tomorrow I think. »

60. TANCI-MALET

61. LÁSZLÓ-ZSIROS

« This is a long day. We are in 5th position in the Masters class, so we are very happy. »

64. ROYÈRE-DINI

« It all went rather well. It was exactly what we expected, terribly tricky and full of traps. A big day on the road but we are very happy to be here tonight. »

65. FONTALBA-HERMET

66. FERRARO-CORNEGLIO

« We are here, in Monaco, and happy to be able to race tomorrow. We hope to post better times tomorrow because today was not so great regarding that aspect of things. There will be less cuts tomorrow, it should be much cleaner so it will be good news for us and for the Alpine. »

67. PANAGIOTIS-GODDI

« It was a long day and the second stage was very difficult. We are here! We did not do anything silly. We had to avoid the traps. We are very happy. Tomorrow the road will be relatively clean, so it will be easier to manage. »

68. IRLACHER-IRLACHER

« Great day, we had a superb fight with my Italian friend. We hope to have good weather tomorrow and that the stages remain dry. We want to reach the finish. »

70. DAL ZOTTO-DUBREUIL

« Tough and the last two stages were not easy as well. We are happy to be here, everything was fine in the end. Two amazing loops await us tomorrow with fast stages that should be cleaner. It should be fun. »

71. BAUGÉ-BLANC

72. MALLARD-MAREST-CECCALDI

« It didn't start very well, we had two notional time allocated. We stopped twice. The second loop was perfect, we had as much fun as the spectators. It's awesome. »

73. PEDALÀ-PICENO

« We are exhausted but happy. It was a long day. We arrived at the end, now there is only tomorrow left. »

74. FONTANA-ARNABOLDI

« It was a long day. The stages were hard and fast. We tried to improve our pace. We also had some issues regarding the brakes. But we try to improve and to get to the third position. Tomorrow is another day and we will try to attack. »

75. CIATO-BUDOIA

« Today, everything went very well. We were consistent all day. The day was long and difficult. We were holding back because yesterday we had encountered several problems. »

76. PRÉVALET-COURTET

« It was very good, we did a perfect day, with no mistakes, we pushed a lot and it was huge fun. It was really cool. »

77. MARAZZATO-SOMMARIVA

78. ROSSI-MARTINI

« It was complicated for us, we are 2nd in our class. We cannot fight against the leader of our class. We are doing our best, so it looks as if we will settle for 2nd place, it is not so bad. »

79. MICHELLIER-RICHARD

« We had a good day. We did a good time in the last stage. We are very happy and we are happy to come back tomorrow. This is awesome! »

80. AYMARD-AYMARD

81. PALMERO-PASTORINO

82. PRAT-SEMETE

« It was a very nice day for us, we gave it all to come back on the leader of the RC5 category. We had a 31-second gap this morning and we managed to reduce it to a 7-second gap after the first loop. Unfortunately, we had a notional time allocated so we lost 18 seconds again and now we are 20 seconds behind the leader of the category. »

83. VIALLE-GHIRARDELLO

« It was too long today between the stages. Malijai is good but not as good as Sisteron and the last stage was so fast. You need to know it by heart but since I don't prepare with the video, I cannot make it. »

84. RESSEGAIRE-MICHELO

« A superb end of the day, we are fighting for the lead of the category against Prat. We are driving really fast. We are really having a lot of fun. »

85. BERARD-BERNABO

« A hard day, we are happy to be here. We are knackered, it's a long time since I wasn't tired like this. It's super tricky everywhere so it requires a lot of attention. »

86. DESSI-DESSI

87. CHARNAY-GOMEZ

« Amazing day, we really had fun. The stages are great, we had fun and we are happy to be in Monaco. It was so long and tough. »
