### 20. FOURMAUX-CORIA

### 21. ROSSEL-DUNAND

« Not an easy stage. We'll see in the Turini, but that's a pretty big slog to get through. »

### 22. LEFEBVRE-MALFOY

« Okay stage, we drove pretty well and we are still in the fight for the podium. »

### 23. SOLBERG-EDMONDSON

« First stage was okay, very twisty and narrow. Not easy. »

### 24. GRYAZIN-ALEKSANDOROV

« This Luceram stage was quite difficult, we try to do what we can but it seems to not be enough. We'll try to continue and see if we need to change our approach or not. »

### 25. MUNSTER-LOUKA

« Difficult for the tyres, we need to manage them. We put new ones on this morning and they already quite used. We'll try to get a bit smoother for the next stage. »

### 26. BULACIA-CORONADO

« On the first stage we had a good rhythm, our car felt nice to drive. We just had a bit of understeering and now we are trying to solve it to improve. »

### 27. CAIS-TĚŠÍNSKÝ

« Nice stage but long and difficult as well. We are trying to keep our pace and enjoy it. »

### 28. INGRAM-DREW

« Amazing stages today, we are just keeping going and improving and we plan to reach the finish. »

### 29. JOHNSTON-KIHURANI

« Better morning than yesterday for sure, we made some setup changes in the evening service last night so we now have more pace. We are still lacking some but okay and I'm still working on getting my confidence back from yesterday. Looking forward to the Turini. »

**31. MCERLEAN-ROWAN**

« Quite an interesting stage, we are happy with our morning so far. »

**32. CREIGHTON-REGAN**

Nothing to declare

**34. LÓPEZ-ROZADA**

« The first stage of the day was very tricky. Now let's go to the Turini. »

**35. CACHÓN-LÓPEZ**

« We spun in an hairpin at the start of the stage but the feeling with the car is good, so let's see for the last three stages. »

**36. MIELE-BELTRAME**

« I'm still asleep this morning. But the stage was great. It feels like spring in here. »

**37. DELECOUR-DE CASTELLI**

« Okay, I feel like being in my garden but it looks like they know my garden better than I do. The stages are incredibly fast and I don't understand where I lose the time on the others. This is my 24th Monte and they know the roads better. This generation is working a lot and you have to give them credit for that. I have to prepare the stages a bit like them or I'm too far behind. »

**38. BURRI-LEVRATTI**

« Three to go. We should have tried some setups to find something that could help us make progress. No motivation at all, which is not good. We'll go to the finish without paying attention to our times. »

**39. KEFERBÖCK-MINOR**

« I spun twice in the stage but that's rallying. »

**40. BONTEMPELLI-PINA**

« Not so good. We had a good start but then I didn't have the right feeling in the first part of the downhill section, our pace notes were not perfect. »
