Day:	4	Flash N°:	28

20. FOURMAUX-CORIA

«It's a shame snow wasn't here in the Rallye Monte-Carlo. It was a special edition without it. Then, we did our best, we end in the fifth position so we're earning points in the championship. It's the most important. »

21. ROSSEL-DUNAND

« The feeling is mixed, we were really close from winning. No regrets, we gave the maximum all weekend long. We hope to do better in the future. The sensation on board the Citroën was good. We have three months to work, we must start tomorrow. »

22. LEFEBVRE-MALFOY

« I think we were unlucky at the start of the Turini. I think I drove on a nail in the first corner of the stage. It is what it is in racing, it's like that. On a personal note, I drove at 100% from the beginning to the end. We maybe lacked of luck but we end the Monte-Carlo. »

23. SOLBERG-EDMONDSON

« There were a lot of lows but a lot of highs. There was a puncture and I touched, it was not the best day. But I'm not here for the points, my position doesn't matter to me. The important thing was to be here and the feeling in the car. The Monte Carlo Rally was fantastic. »

24. GRYAZIN-ALEKSANDOROV

25. MUNSTER-LOUKA

« It wasn't very bad. We were really in the understanding of the car. We didn't have the result we were hoping for. At least, we learned a lot. We are happy though. We didn't have any damages. The fact this rally was dry allowed us to realize several setups. »

26. BULACIA-CORONADO

« It was good. We had a spin on the powerstage but still we managed to make it through the end. We're happy about it. »

31. MCERLEAN-ROWAN

« It was quite okay. It was probably my best Monte-Carlo so far. We got good times through the last stage. It's a good way to end the rally. Unfortunately, we had some issues on the car yesterday. It forced us to go in Super Rallye. We gained a lot of experience from this Monte-Carlo and hopefully we can go back in the future. »

32. CREIGHTON-REGAN

« It was quite a difficult day. We had some problems with the car from this morning. The team did everything to fix it. Fortunately, we are back in Monaco. »

34. LÓPEZ-ROZADA

«Third in the end, it's a really good result for us in the Monte-Carlo. It was a very difficult rally. During the day, it was difficult to manage the tyres. We are quite happy for the team, thank you to Hyundai, and let's see how the future goes. »

« I'm happy to be at the finish line like every time in Monte Carlo, this is my fourth time here. I am happy. Considering François' times, we couldn't do anything since the first day. I was content to bring home second place for the master. The rally was very fast. »

37. DELECOUR-DE CASTELLI

38. BURRI-LEVRATTI

« On friday morning, when I ended up in the barrier, I never thought I would be arriving at the harbor today. But in some way, in our misfortune, we still have something positive. We went back in Super-Rallye, but it's difficult to find the motivation back. We tried two, three setups. It allowed us to earn some mileage with. »

53. GINO-MICHI

« Everything is going well even if the stages were hard for us. We had to change the tires. It doesn't matter, we are in Monaco. »

54. BAFFOUN-QUARTINI

« We're at the finish, it's great. We really enjoyed it, the conditions allowed us to do it. The particularity of Monte Carlo is the conditions with the choice of tires. We drove with the same tires from the first stage to the last. The mission is accomplished, thanks to my co-driver who always does a fantastic job. It's a pleasure to see the people happy. We enjoy it. For the season, we're going to do some dirt rally with this car. »

58. HAUT-LABOURDETTE-TARDITO

« Quite bad, we damaged the car 200 m after starting the first stage this morning with cold tyres, so we broke two rims. We worked on the car all morning long to bring it home. And we did. We collapsed a little bit in the overall rankings though. A little bit frustrated, I must admit, but I am the only one to blame. But we finished and we did good times. »

59. RIBERI-HAUT-LABOURDETTE

60. TANCI-MALET

« Today was a very difficult day. Yesterday, we had to shift to Super Rally mode so we finished working on the car around two o'clock in the morning. This morning, we had a water pipe leaking in a stage, and then a puncture on the road. These things are part and parcel of a Monte-Carlo Rally. The main thing is to be here and to be back and safe. It was a beautiful Monte-Carlo. »

85. BERARD-BERNABO

« We are safely home. We spent a nice day. We had serious suspension issues yesterday, the last two stages were very difficult to finish because our car was bouncing a lot. We changed the dampers and this final day went well. It was a fully dry rally, it is a pity for a winter rally. The goal was to come back home and to enjoy. »
