### 20. FOURMAUX-CORIA

« It was good. There was a lot of salt on the road so there was a lot of dust, but otherwise, it went well. »

### 21. ROSSEL-DUNAND

« It went well. I stalled at the start... I lost seven seconds. It's crazy, I looked like an amateur. »

### 22. LEFEBVRE-MALFOY

« The stage was quite slippery with all the salt on the road. We tried to drive without being trapped. We drove well, we did not take any risk. It was a clean stage. »

### 23. SOLBERG-EDMONDSON

« The stage was OK. I made a mistake with my tires, but otherwise it was OK. »

### 24. GRYAZIN-ALEKSANDOROV

« The stage was quite good. A little bit slippery at the end, because of the salt I guess. At the beginning, I was overheating the front tires but I did not take risks. »

### 25. MUNSTER-LOUKA

« Very complicated honestly. It is the first time for us with the car in those very dry conditions. It's complicated to use the full car potential. »

### 26. BULACIA-CORONADO

« It was good. We were missing some information on the white sections so we could not have the pace there. But we are enjoying the car. »

### 27. CAIS-TĚŠÍNSKÝ

« All good, no problem. »

### 28. INGRAM-DREW

« It was good. I haven't driven for a long time so I was a little bit rusty but it was OK. I'm sure we can get up to speed right now. Now that the first stage is done, we can calm down and keep going. »

### **29. JOHNSTON-KIHURANI**

« I've struggled a bit for the rhythm, I've made a series of mistakes at the hairpin. That was frustrating but we had a decent run. We've never been able to test running the tires so long. In the setup, we had a balance change we didn't expect. We made some small changes to the damping and we're looking forward to the next stage. »

### **30. PAJARI-MÄLKÖNEN**

Did not start due to food poisoning.

### **38. BURRI-LEVRATTI**

« I don't know. We have an engine problem. We have trouble with the fifth gear uphill. Normally, we have a great engine. It's like that. It's the beginning of the rally. Otherwise, it's OK. For me, starting is always hard but, this time, it wasn't that bad. »

### **39. KEFERBÖCK-MINOR**

« It was a little bit tricky. I think we lost around 10 seconds in the hairpin. I was a little bit too early using the hand brake. The rest was OK, but the first three kilometers were tricky. »
