

e-Rallye Monte-Carlo (October 12-16, 2016)

A world premiere full of promises !

More kilometers (a lot more...), a Regularity Zone (ZR) on a track similar to the special stage of an asphalt rally, a last leg at night, as in legendary years of Rallye Monte-Carlo, in the last century, terrible weather conditions: this first edition of e-Rallye Monte-Carlo had everything to please modern times adventurers. And the result is: it pleased them a lot!

Happy winners! Polish driver Artur Prusak and French co-driver Thierry Benchetrit receive the "Coupe de S.A.S le Prince de Monaco" presented by Mr Michel Boéri, the President of Automobile Club de Monaco (ACM). (left)

Christophe Ponset and Serge Pastor carried the flag of the City of Monaco all the way to the 2nd place of this innovative event. They received the "Coupe du Gouvernement Princier" presented to them by Mr Patrice Cellario, Government Counsellor and Minister of Internal Affairs. (below)

The third place for the French Alexandre Stricher et Michaël Torregrossa. They received « la Coupe de la Mairie de Monaco » presented by Georges Marsan, Mayor of the city of Monaco. (left)

The 4 top crews rewarded
at the end of the first edition of the e-Rallye Monte-Carlo

(Foreground-Middle) **Winner of «régularité» ranking : N°4 Artur Prusak (Pol) / Thierry Benchetrit (FRA)**
very competitive in the last Leg, their Toyota Mirai hydrogen propulsed reach the top of the podium.
Tremendous job for a brand new car which directly came out of the Mondial de Paris.

(Foreground-Left) **Second of «régularité» ranking : N°3 Christophe Ponset (FRA) / Serge Pastor (FRA)**
With such an extensive experience and a so bold strategy they manage to avoid all the traps of this long
journey particularly the electric recharge in «no man's land » !

(Background-Middle) **Third of «régularité» ranking : N°19 Alexandre Stricher (FRA) / Michaël Torregrossa (FRA)**
After a rather good experience in the Rallye Monte-Carlo ZENN (Zéro Emission-No Noise) 2015, they come back !
They dared to dream of a repeat experience and they achieve their goal to wear a tie for the award ceremony.

(Foreground-Right) **Winner of Z.R A « Pôle Mécanique d'Alès » N°23 David Tschan (FRA) / Alexandre Gabard (FRA)**
It was the very first and they win it. The first Z.R A « Pôle Mécanique d'Alès » was kind of tricky, a tarmac rallye type
Z.R which start the e-Rallye Monte-Carlo.
