

Le QUOTIDIEN

Tuesday night, as usual, The 2 last ZR of Rallye Monte-Carlo Historique shook up the rankings.

In Sospel-Lantosque, as in 1977, it's a Lancia Stratos (Perfetti/Kessel) which won and the unluckiest are Durand/Chol and even more the former leader Bruns/Westenburger, forced to retire due to engine failure in the ZR. In back, in the back the battle rages between Aghem/ Cumino, Delaportas/Moustakas and Hansen/Brodersen. It's St Sauveur-Beuil, the last ZR, which decided of the podium.

A struggle between Lancia Fulvia and Golf GTI, as these two model cars have trusted the 5 first ranks of the ZR, as a matter of fact the Opel Kadett GTE of Durand/Chol lost its 5th rank !

Finally, the Italians Aghem/ Cumino win this XXIe edition of Rallye Monte-Carlo Historique, it's the second victory for the Aghem's family, as Marco his son already won in 2005 .

Behind them, the Greek crew, extremely reliable , Delaportas/Moustakas with their Golf GTI then the cute Zastava 1100 of the Pole Postawka/Postawka.

A special nod to the finishers : Fréquelin/Perquin, first crew of the R5 Alpine of Renault Classic, Eléna/Campana , stronger than the pain and of course to the Sabys, father and son who managed to bring their tiny and so slow Vespa back in Monaco.

«Bravo» for All and rendez-vous for the XXIIe edition of Rallye Monte-Carlo Historique.
