Le QUOTIDIEN

BEHIND THE SCENES OF THE 23RD RALLYE MONTE-CARLO HISTORIQUE

Le QUOTIDIEN of the 23rd Rallye Monte-Carlo Historique 2020 will be available everyday on the official website of the Automobile Club de Monaco (www.acm.mc), on the social networks of the Automobile Club de Monaco and on the application ACM Live (available on App Store and Google Play).

TODAY'S STORIES !

The first competitors arrived this afternoon in Monaco. All the cars were gathered in the Parc Fermé before leaving at 9pm for the Col du Turini. But how do the Monegasque teams feel for the last night of this 23rd Rallye Monte-Carlo Historique ?

They left Monaco on Friday 31st January. Jean-Marc and Elisabeth GIRALDI are back after four intensive days. « We are happy with this performance, » said the co-driver on the Quai Albert 1er this afternoon.

Turini here we come for the pair. The Alpine number 49 is ready for this final stage : «We will have to push!»

It is the 3rd participation of the ROSADO - ROSADO team, driving a Renault 12 Gordini number 105.

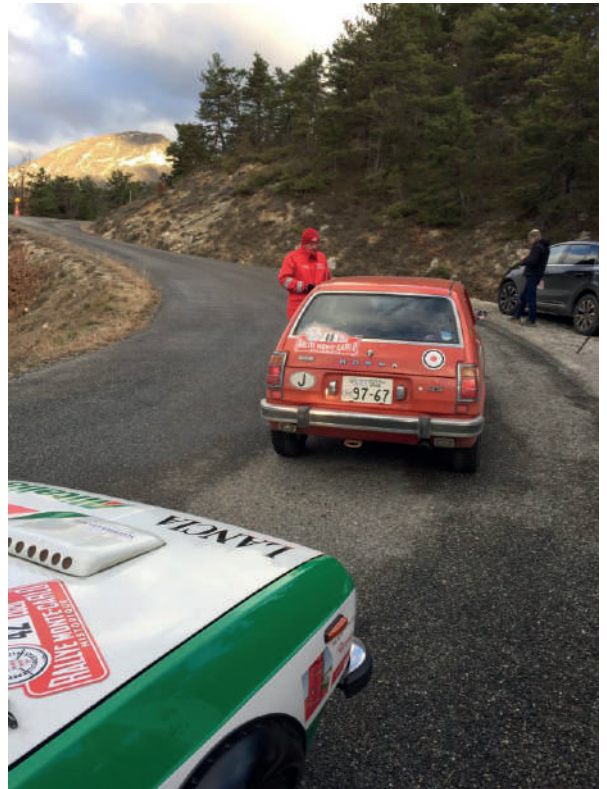

Nevertheless it is the very first time they reach Monaco after the four days of race. The first two times their engine got broken and forced them to retire the car...

Not even scared of the Turini!

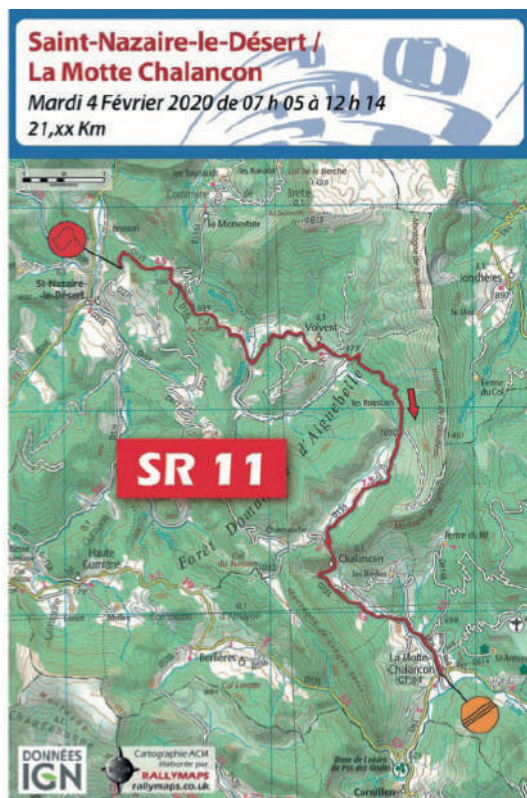

«We are so happy to be in Monaco. Let's say that 90% of the rally is now done. We are not really afraid of the Turini. We would even say that we are so happy to do it. The most important was to reach Monaco and we did it so we are over the moon!»
