Payment for test tyres must be received in full before tyres can be supplied. Unused test tyres can be added to WRC event allocation

Test tyres order must be received 30 days before collection date

Tyres for rallyes will be available at the service park

We require payment of 80% of requested tyres (up to 80% of maximum rally allocation) one week before beginning of scrutineering

Tyres exceeding above value have to be paid by credit card at the service park before they are collected by the team

Pirelli will not guarantee availability of tyres that are not ordered in advance

In case not all tyres are used exceeding budget will be returned within 30 days or can be carried over to next event
