This Saturday, all the crews drove towards Alpes de Haute-Provence, they were welcomed in **Saint-André-les-Alpes** for one last Time Control before the first Regularity Test of this 19th edition of **Rallye Monte-Carlo Historique**.

On this special occasion, the members of the *Ventabren Retro Passion* club offered the motorsport marshals and the crews, coffees and small delicacies, with good spirits as always.

*“We’ve been following Rallye Monte Carlo Historique (Time Controls, Parc Fermé...) since 2011 to give coffees and crêpes to the crews and the Motorsport Marshals. We want to participate in the rally because it’s our passion and we are nostalgic for the 80s. Here, we can find the great vibe and warmth we used to know while admiring vintage cars. We cook everything ourselves and offer it with a great pleasure.*

*“Ventabren Rétro Passion is a community of vintage cars lovers; some even have their own. We regroup convivially to share our knowledge, drive through wonderful landscapes, express our skills securely on closed roads or racetracks and learn about each other’s interests.”*
