**BEHIND THE SCENES OF THE PRIZE GIVING OF THE RALLY
MONTE-CARLO HISTORIQUE**

A NIGHT TO REMEMBER

On Wednesday evening, the Automobile Club de Monaco organized the traditionally prize giving ceremony. For this special occasion, about 1000 people were invited to the Salle des Étoiles of the Sporting Monte-Carlo. The perfect evening to close this 22nd edition of the Rallye Monte-Carlo Historique.

It has become the place to be. This gala is an entire part of the Rallye Monte-Carlo Historique. And as always, the evening was a pure moment of conviviality. It all started with the splendid diner, followed by a show and the screening of the official movie of this 22nd edition. An event was particularly awaited : the prize giving.

The winners of each category were presented to the crowd to receive their trophy. This year a Franco-Danish duo triumphed. **Michel BADOSA** and **Morgens REIDL** have received the Coupe de S.A.S Le Prince de Monaco. They are followed by two Italian crews, who were awarded the Coupes du Président de l'Automobile Club de Monaco. **Alessio DE ANGELIS** and **Sergio SITSI** got ahead of their fellow countrymen **Masimmo CANELLA** and **Nicolas ARENA** during the last night of race.

In the women's category, once again the winners are the German duo **Steffi EDELHOFF** and **Birgit BINDER**. The **CAMPANA** couple, **Olivier** as a driver and his wife **Lydia** as co-driver, are the best Monégasques of the overall classification ; they have finished 28th.
