WRC RALLY MONTE-CARLO

Your Perfect Rally Trip

The exceptional sometimes tends to replicate! Following the huge success of its previous edition, Rally Monte-Carlo 2023 will again settle down next winter in the Principality. More compact geographically, but still **very selective, the rally route will have new features and a high number of difficulties**, thanks to a series of very demanding special stages in the departments of Alpes-Maritimes and Alpes-de-Haute-Provence.

As the **official agency of the Automobile Club of Monaco**, we can offer personalized activity packages according to your needs and open to all budgets. Our packages enable you to see the rally from the **inside with special touches**, from start to finish and appreciate **truly emotional moments**.

Our teams are at your entire disposal to personalise each service and meet all your expectations. Join the Dream Team and **prepare you for unlimited enjoyment of the WRC**.

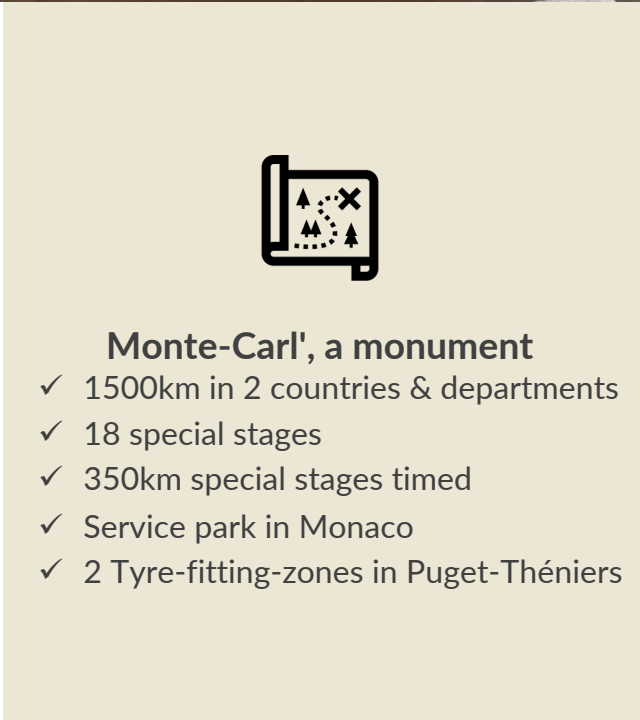

From now on...
