

Frequently asked Questions

Q: Am I restricted with regards to the number of people I am allowed on board?

A: The number of people you are permitted to host onboard for hospitality depends on the size and the maximum (hospitality) capacity of your vessel, as confirmed by the Owner and/or the Captain.

Q: What do you mean by “Sponsor”?

A: Sponsor refers to the person or organisation that is supporting your application for the Port berth and for the hospitality operations that you are planning during the Event.

Q: What does “Affiliation” refer to?

A: Affiliation refers to the commercial sporting or relationship between the Applicant and the F1 ‘Community’ and the F1 Monaco Grand Prix (for FE: the Formula E ‘Community and the Monaco E-Prix). The role or function may be a F1/FE Team or Driver or former Driver, a F1/FE Sponsor or Supplier, an Event Agency for F1/FE Client Hospitality or a F1/FE Media Agency.

Q: Who are “Cabin Guests”?

A: Cabin guests refers to those guests sleeping on board.

Q: I don’t know how many guests I will have on board at the time of application. What should I do?

A: The first requirement is to confirm that the purpose of the application is to commercialise the berth for hospitality purposes. At this time, it is understood that you may not be able to provide all of the required information. Therefore, please provide a planned projection of the daily Guest count with the understanding that these figures may be adjusted and confirmed closer to the Event.

Q: What if I incorrectly estimate the numbers of guests on board for hospitality?

A: Additional passes may be purchased from the temporary ACM office situated in SEPM up until and during the weekend of the Monaco E-Prix or the F1 Monaco Grand Prix. Details are set out on the application form.

Q: Do I have to buy passes for guests coming on board for night-time hospitality?

A: No, the Port Berth Viewing pass is only applicable to those guests boarding and being entertained on your vessel during the sessions and the races of the Monaco E-Prix or the F1 Monaco Grand Prix.

Q: Do I have to purchase a Port Berth Viewing pass for the Crew or for Suppliers (Catering, Technical or Entertainment) visiting the vessel during the event?

A: All persons needing access to the vessel require a Pass. Passes for Crew and 3rd party suppliers need to be applied for, however are supplied free of charge.

Q: If our event day guest numbers differ from one day to the next (e.g. 70 guests on Friday, 90 guests on Saturday), will the tariff of the passes be charged on a pro-rata basis?

A: The passes are purchased as a 4-day package. So, if you have 70 guests on Friday and 90 on Saturday you will be required to purchase 90 packages.

Q: Will we be given one wristband per guest, per day? Or will we receive one wristband for all 4-days?

A: The wristband will change on each day so guests can be easily identified and you will not be required to reclaim passes to use for the following day should your guest list change.

Q: If a guest watching from a grandstand would like to join their friend on a yacht, would they be able to do so?

A: So long as they have the appropriate day wristband they will be able to access the vessel.

Q: When do we have to pay for the Port Viewing Passes?

A: The temporary ACM office opens on the 17th April and is located in the SEPM offices. It is open from 08h00-17h00 from Monday to Friday. Your order should be processed through this office along with payment.

Q: What Sponsor or Client branding is allowed to be applied to the vessel during the Event and particularly during the sessions and races of each Event.

A: All requests for branding must be submitted to vturco@acm.mc for approval.
