**24. CIAMIN-ROCHE**

« A good day for us, we did our best. Rather good tire choices except for the first stage this morning. We spun in the last one but we lost less than 10 seconds so it's OK. We won a position compared to yesterday. »

**30. MAURO-PÉREZ**

« The most difficult day of my life, the final stages were too difficult. We are not pushing much because we don't have the experience in these conditions. But we are here, we are Top 10 in WRC2. »

**35. BURRI-LEVRATTI**

« A good day, a lot of fun. There was no snow but it felt like it, with slick tires in the mud and on the ice. It was nice. Crowd is awesome, it has been quite some time since I haven't seen so many spectators. »

**37. LAURENCICH-MLAKAR**

« Today was a difficult day, we made a lot of mistakes, and we even went off. In total we lost more than eight minutes. Fortunately, we still managed to go back on the road. We were able to bring back the car all the way up here and we will see if the mechanics can do something for us to get started tomorrow. »

**40. SERDERIDIS-MICLOTTE**

« It wasn't bad, the first two stages were really nice. We had a good rhythm during the third one by night but we went off a bit and hit a post. We had quite some luck, as we managed to go back on the road. Otherwise, a very positive day, 29th overall, we are slowly climbing up.»

**41. MORATO-BOSI**

« All good, we had fun without having much problems. »

**44. MARCHINO-OMETTO**

« Good but very long day. Amazing stages, very tricky. »

#### 47. ROSSI-SARMEZAN

« Today was a bit better, we are still here, we are happy, we ended the day. Now we have to end tomorrow and the day after, the rally is still long. We're trying to make progress and recover a little, concentrate well. »
