## 1. INTRODUCTION

Dear Competitors,

As always, the Organising Committee of the Automobile Club de Monaco hopes that this 93<sup>rd</sup> Rallye Automobile Monte-Carlo, the inaugural round of the 2025 FIA World Rally Championship (WRC), will be a highly selective event - perhaps even more than the previous editions. The route will once again offer many challenges that should appeal to professional drivers and amateurs alike...

The aim of the Rally Guide 1 is to provide you with the main information about our event, 4 months before it kicks off. Even if it has no regulatory value, it will undoubtedly help you to prepare and anticipate your future participation in the 93<sup>rd</sup> edition of the Rallye Automobile Monte-Carlo.

We hope you enjoy reading it, and look forward to seeing you from the 22<sup>nd</sup> November onwards for the official publication of the supplementary regulations for our event...

Eric BARRABINO  
Event Director
