1. INTRODUCTION

Despite facing multiple administrative and regulatory challenges, the Automobile Club of Monaco's Organizing Committee has successfully finalized the framework of the 94th Rallye Automobile Monte-Carlo - a feat requiring precision and flexibility. As the opening round of the 2026 FIA World Rally Championship (WRC), this legendary road event is poised to attract high-caliber teams and elite drivers from across the globe.

Reconnaissance runs will be conducted from **Sunday, January 18** through **Tuesday, January 20**. Participating crews will then engage in a modified shakedown session on **January 21 at 14:01**. Measuring 4.25 km, the trial route - first introduced in 2017 and extended for this edition - now integrates the Rabou's road in Gap, host city from 2014 to 2021 and again from 2024.

The official start of the 94th Rallye Automobile Monte-Carlo is set for **Thursday, January 22 at 14:30** from the podium ramp installed on **Quai Albert 1^{er} in Monaco**. This initial leg features three special stages, totaling 60.76 kilometers. Held in the departments of Alpes-Maritimes and Alpes-de-Haute-Provence, the stages « **Toudon / Saint-Antonin** » (SS 1 - 21,90 km - 16:05), « **Esclangon / Seyne-les-Alpes** » (SS 2 - 23,80 km - 18:35) and « **Vaumeilh / Claret** » (SS 3 - 15,06 km - 20:35) promise the potential for major surprises right from the start.

Two departments, Drôme and Hautes-Alpes, will host the second day of rallying, with a total of 128.88 kilometers against the clock. This leg comprises a three-stage loop repeated twice, including « **Laborel / Chauvac-Laux-Montaux** » (SS 4/7 - 17,95 km - 09:04/15:16), « **Saint-Nazaire-le-Désert / La Motte-Chalancon** » (SS 5/8 - 28,70 km - 10:32/16:44) and « **La Bâtie-des-Fonts / Aspremont** » (SS 6/9 - 17,79 km - 11:50/18:05). This second leg, packed with technical challenges, is simply the longest of the entire rally.

While shorter in length, Saturday's mostly Alpes-de-Haute-Provence-based stage remains equally demanding. It features a total of 77.61 kilometers of timed sections, including the band-new « **La Bréole / Bellaffaire** » via the **Garcinets** pass (SS 10/12 - 29,93 km - 08:31/12:31), run twice, and a daytime reprise of « **Vaumeilh / Claret** » from Thursday evening (SS 11 - 15,06 km - 09:55). In contrast to the 2025 edition, this year the return to Monaco happens Saturday afternoon and wraps up with a super special stage, the first since 2008 (SSS 13 - 2,69 km - 18:35), set on the lower section of the iconic **Monaco Circuit**.

Rallye Automobile Monte-Carlo will culminate with a thrilling final showdown across two legendary mountain stages, each repeated twice and totaling 71.90 kilometers. Crews will tackle « **Col de Braus / La Cabanette** » (SS 14/16 - 12,50 km - 08:05/11:09) and « **La Bollène-Vésubie / Moulinet** » (SS 15/17 - 23,45 km - 09:35/13:15), with the second run of the latter serving as the **Wolf Power Stage** - a decisive moment where drivers can gain crucial championship points. The rally will officially conclude with the final podium and awards ceremony held at **Port Hercule**, beginning at **17:00**...
